Connext Disengagement Factor Report (Sample)

This report identified 196 freshman students who reported 4 or more disengagement concerns (out of 28). Student names in the listing are hyperlinks that link with each individual's assessment report. Clicking on any of the factors below provides a listing of students associated with each factor and an email utility for electronic communication with the target group of students associated with the factor.

Participates in one or more non-class related activities while in class (uses a messaging service, surfs the web, talks or sends messages on 2 cell phone, plays games on cell phone, and/or sleeps) 3 Rarely or never participates in study groups 4 Classes aren't interesting 2 248/98 5 Talks with instructor outside of classes once a semester or less 2 30/98 6 Student is not involved in any extracurricular activities 1 02/98 7 Feels discomfort with campus environment 6 6 7/98 8 Rarely or never participates in class discussions 9 Very few or no instructors know student by name 6 1/98 10 Hasn't chosen a major or program of study 11 Classes are not providing much to no job-related skills 3 7/98 12 Not usually comfortable asking the instructor for help 3 Employed 21 hours per week or more 3 Employed 21 hours per week or more 3 Will not have sufficient funds to attend next term 3 Employed 20 hours per week or more 3 Sylas 16 College doesn't offer desired area of study 17 Very few or no instructors genuinely care about student's learning 16 College doesn't offer desired area of study 17 Very few or no instructors genuinely care about student's learning 18 Less than 1 hour spent on campus when not in class 19 Frequently to very often absent from classes 9 Obesn't feel personally welcome at the college 20 Doesn't feel personally welcome at the college 21 Course selection and program advising is rarely clear and accurate 22 Doesn't have an academic or program advisor 6 6/984 24 Very dissatisfied with major or program of study 5 5/984 5 Very little or no campus support to be successful 5 5/984 5 Very little or no campus support to be successful		Factor Description	Matching Respondents
